

## What's on at the Eastgate

**February 6 Saturday 7.30pm**  
**Music - Trad/World**

**Breabach & Le Vent du Nord**

An irresistible combination of Scottish and Quebecois music from two bands at the top of their game. Scottish five-piece band Breabach are firm favourites at Celtic Connections and Cambridge Folk Festival, as well as at the Eastgate. A young group performing with technical assurance and a feel for traditional idioms. Their raucous, driving attack is energised and exciting. They're joined by Quebecois quartet Le Vent du Nord, with their special blend of consummate musicianship and boundless joie de vivre. 'We can't wait to join forces with the mighty Le Vent du Nord!' (Breabach)
